

# WRITE TO YOUR COUNCILLORS AND DECISION MAKERS!

## NOTE ALSO POLLING DAY FOR COUNCIL ELECTIONS 5TH MAY 2022!

### Support the urgent need for Royal Borough of Greenwich (RBG) to:

- 1) Propose effective traffic reduction measures which will protect the safety of the residents of West Greenwich, the 1,000+ children who attend schools in and around the area and the many pedestrians, cyclists, university students and the millions of visitors who frequent Greenwich Park, Greenwich town centre and historic Greenwich;
- 2) Commit to a timeline for urgent development and implementation of a scheme for West Greenwich area;
- 3) Commit to developing and implementing a scheme for East Greenwich, Westcombe Park and other areas in need within RBG; (It won't get any better for any street at or en-route to Peninsula once Silvertown Tunnel is open!)
- 4) Listen to the majority of the West Greenwich residents (ignore the vocal minority and out of borough residents);

### WRITE TO:
